Transport Partners
DELIVER.

2005 Fleet Efficiency Evaluation

Amount of Diesel Fuel Saved in 2005: 727,797 gallons

1. For which year are you estimating the environmental performance of your fleet?

2005

STEP 2: Specific Age and Type Assessment of Your Existing Fleet:

Environmental Challenge

Currently, truck and rail:

- Travel over 200 billion miles
- Consume over 35 billion gallons of fuel
- Account for nearly 20% of transportation related energy use
- Produce approximately 350 million metric tons of CO₂
- Will increase dramatically over the next decade
 - Faster delivery schedules
 - Increasing internet sales

**35 Billion
Gallons**

2003

**45 Billion
Gallons**

2012

Emission Reduction Goals

- 150 million barrels of fuel each year (12 million cars off the road)
- 33 million metric tons CO₂ annually by 2012
- 200,000 tons NO_x annually, plus PM and air toxics benefits

How Do Companies Become Partners?

Shippers:

- Commit to ship a majority of their goods with SmartWay Transport Partner carriers within 3 years
- Assess and commit to improve their facility transportation emissions within 3 years:
 - Forklifts, generators, loaders, amount of truck idling at facility, intermodal
- Sign the Partnership Agreement

Carriers:

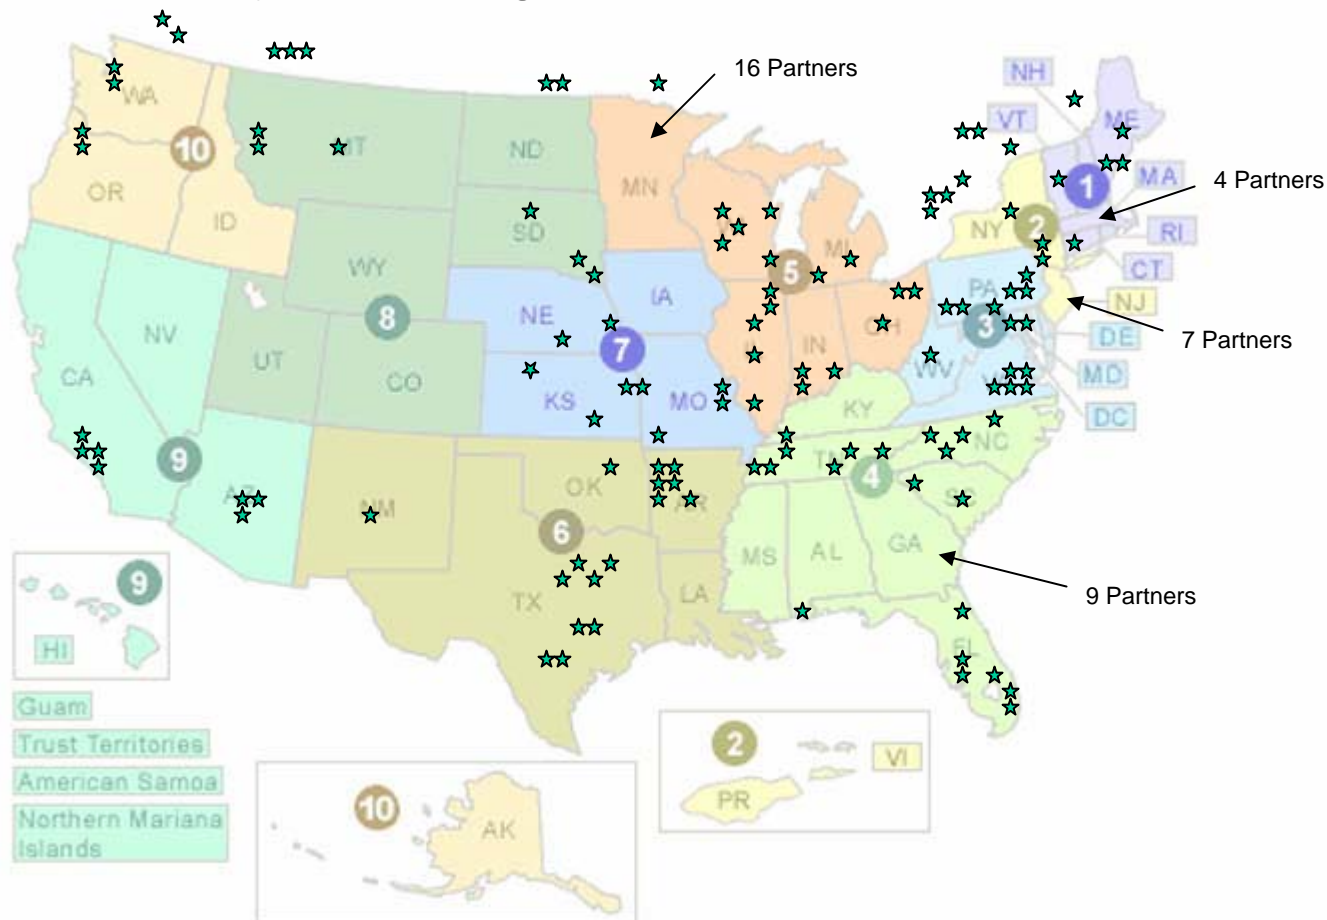

- Measure current environmental performance with the FLEET Performance Model
- Commit to improve environmental performance within 3 years
- Sign the Partnership Agreement

Who can Partner with SmartWay Transport?

- **Carriers: any size trucking firm**
 - Baseline performance of fleet & commit to improve efficiency w/in 3 years
 - Earn logo with 40% CO₂ efficiency rating
- **Shippers: hire contract carriers**
 - Baseline freight shipped, commit to improve performance within 3 years
 - Earn logo with 50% freight shipped (effectively) via SmartWay Carriers
- **Rail: contracted by shippers**
 - *Baseline freight shipped, commit to improve performance within 3 years*
- **Logistics (3PLs): contracted by shippers**
 - Earn logo with 5% freight shipped or 20 new contract carriers per year
- **Affiliates: trade associations, NGOs, etc.**
 - Promote goals of Partnership, help market Partner efforts and successes

SmartWay Transport Partners (as of June 5, 2005)
